Willard C. Basford.

Willard C. Basford died at his officiating and burial was in the Glov- p

er cemetery. Mr. Basford was born at Knowltonville, P. Q., Aug. 12, 1832, but spent the latter part of his life in this town. On June 5, 1856 he was married to C. Adaline Magoon of Potton, P. Q., who survives him, also five sons and daughters, Mrs. Clara A. Sawyer, Mrs. I. Myrtle Wilson, H. L. Basford and W. G. Basford of this town and Mrs. R. C. Mills of Lowell, Mass. He also leaves 23 grandchildren and 22 great-grandchildren. For several years past he has been in poor health and for the last year and a half has been confined to the bed. Mr. Basford was a quiet, unassuming man and will be deeply missed by his circle of friends.

We wish to thank the kind friends and neighbors for the many acts of kindness during the illness and death of our husband and father, also for the beautiful floral gifts.

Mrs. W. C. Basford, Mrs. Clara Sawyer, Mrs. Myrtle Willson, H. L Basford and family, W. G .Basford and family, Mrs. R. C. Mills.

"DOC" HASTINGS WRITES.

Humorous Incidents in Medical Officer's Life.

The following letter was received by J. F. Batchelder from Captain F. R. Hastings, M. D., formerly of Bar-

Kitchener War Hospital,

June 6th, 1918. Your letter came to hand yesterday and as it was the first I had had sent to the best of my ability and am returning it to you hoping it may esadvertisers, except not more than one cape the gentle submarine, which by can judge, we are slightly on our they can legitimately sell in order to give the Hun a finisher. I see a good many of the boys here-flying corps men, most of them-and they sure

navian with 125 flying officers and about 1000 men. We sailed with six other transports under one U. S. waries or commissions to agents, dealers ship and an English one and were morning service at Barton, evening service at Orleans; July 29, West Charleston; July 30, East Craftsbury; July 31, Island Pond.

The service at Orleans of Commissions to agents, dealers of an English one and were all armed. I was principal medical officer and beside the two ordinary hospitals had to open three others as we had an enidemia of influence of the commissions to agents, dealers of the commissions to agents of the commissions to ag to mention seasickness and other complaints. When we landed had three pneumonias and a stab wound to carry off. All the others walked, different hospitals I dragged mine after me by the strings and invariably left it behind me at each place. It surely was a nuisance. We had boat drill every day and I was in command of the hospital boat, and was supposed to see that all the patients got out of the hospitals and I can tell you that if anything had happened my rescue would have been a matter of luck for the hospitals or two of them were in the bowels of the ship and I would have done the Casabianca. Luck for

> to his sergeant. I had about an average of 75 a morning, then I visited the hospitals and went up to see the officers in the cabins and then to dinner. In the af-, are visiting at the home of his ternoon read and made med. calls, played bridge and at 6 visited hospitals again. After supper played cards, made calls and sometimes played bridge, so I was as busy as a dog with the itch. We had a good trip and when near England the warships went away and the destroyers met us. How they could go! We were going to land at Liverpool when suddenly

sure. Every morning I got up (when

called) at 7.30, had a bath, breakfast,
